Blurb: “Top 5 shows of the year!” -*Time Magazine*

“Goofy, funny, and improbably believable.” -*The New Yorker*

“Absolutely delightful and deliciously spiteful!” -The New York Times

MATT & BEN is the hilarious and imagined story of two young Hollywood hopefuls named Matt Damon and Ben Affleck (played by two women), dreaming of fame and fortune in Somerville, Massachusetts, in 1996. When the script for *Good Will Hunting* mysteriously falls into their laps, the ensuing action tests their friendship and spotlights the promises and pitfalls of chasing after the stardom that may change their lives forever.
